HE WAS ALL RIGHT.

In our forefathers' day, man often took
a rest:
But now the common business way is,
always take the rest,
Get everything you can and hold it
with your might,
If you soak your fellow man, why busi-
ness make it right.
So against such business guile, a busi-
ness course I'll take,
But in a modern college style, no rebate
guaranty fake.

While others waste their young days,
loaf, drink and act the fool,
Help me, Oh Muse, seek wisdom's ways in
a Byrnes System school.
Some raise a hue and cry that old sys-
tems are the best.
But sure I am if but try, the Byrnes
will do the rest.
And so I will not waste my time on sys-
tem old,
But take the Byrnes and learn in haste
and 'gin to earn the gold.
No theory in the Byrnes, but business as
a store.
No thousand rules and signs to learn,
but shorthand from the go.

And if, as oft, I had one who his notes
can't read,
When write Imitation with word sign,
and who has gained no speed,
Him I will quickly show how well the
Byrnes is writ.
And kindly tell him where to go for
success in life.
And if he can't turn force upon himself
prevail
To go to college for a course, I'll tell
him "Take by mail."

And now with no delay, for "put off"
studies knowledge,
I will enroll this very day in a Byrnes
Business College.
And in a few short months I'll have
the combination
To that success which each one seeks,
an expert's education.

Every Man His Own Doctor.
The average man cannot afford to em-
ploy a physician for every slight ailment
or injury that may occur in his family,
nor can he afford to neglect them, as so
slight an injury as the scratch of a pin
has been known to cause the loss of a
limb. Hence every man must neces-
sarily be his own doctor for this class
of ailments. Success often depends
upon prompt treatment, which can only
be had when reliable medicines are kept
at hand. Chamberlain's Remedies have
been in the market for many years and
enjoyed a good reputation.

Chamberlain's Cough, Cholera and Di-
arrhoea Remedy for bowel complaints.
Chamberlain's Cough Remedy for
coughs, colds, croup and whooping
cough. Chamberlain's Pain Balm (an an-
aesthetic liniment) for cuts, bruises, burns,
sprains, swellings, lame back and rheu-
matic pains.

Chamberlain's Stomach and Liver
Tablets for constipation, biliousness
and stomach troubles.
Chamberlain's Salve for diseases of
the skin.
One bottle of each of these five prepa-
rations costs but \$1.25. For sale by all
druggists.

Five Emeralds.
Cortes obtained in Mexico five emeralds
of wonderful size and beauty. One
was like a rose, another in the shape
of a horn, a third in that of a fish,
with diamond eyes; a fourth like a bell,
with a pearl for a clapper; the fifth
was a cup, with a foot of gold and
with four little chains, each ended
with a large pearl. He had also two
emerald pears, worth 800,000 crowns
each.

The Chicago papers are giving
space to the announcement of the
death of a man who was given up
by the doctors forty years ago.
Here is a suggestion to all those
desires of a long life. Give up
your doctors!

According to a dispatch received
from the President's recent trip
to Ohio, he was compelled "to lie
over in Akron." The Ananias
Club has a song, "Nobody lies but
Roosevelt; he lies about all day."

A Detroit man has been arrested
as a suspicious character because
he cannot tell the same story twice.
If this is the test we are sure that
Chauncey Depew's character is
spotless.

Dr. Wiley says it is a disgrace to
die of anything but old age. The
public, which is a little tired of
Wiley, are not agreed as to whether
it would be in his case.

It has been estimated that the
average millionaire millionaire's
automobile cost him ten thousand
a year, not including fines and fun-
eral expenses.

President Roosevelt says the
"best crop of all is a crop of chil-
dren." That depends on whether
they are your own or your neigh-
bor's children.

Thomas Edison says that we
know only a billionth of one per
cent about anything. But still we
have President Roosevelt to tell us
the rest.

An Ohio woman says that "fat,
jolly men make the best husbands."
It looks as if Ohio might decide
that they also make the best Presi-
dents.

The President says that a soiled
hand looks as good to him as any
other. This may be construed by
Harriman as an invitation to make
up.

Perhaps those Japanese who
have heard that the President
would retract his declaration about
a third time in the case of war.

Remarkable Rescue.

That truth is stranger than fiction,
has once more been demonstrated in
the little town of Federa, Tenn., the
residence of C. V. Pepper. He writes: "I
was in bed, entirely disabled with
morrhages of the lungs and throat. Doctors
failed to help me, and I hope had died
when I began taking Dr. King's New
Discovery. Then instant relief came.
The coughing soon ceased; the bleeding
diminished rapidly, and in three weeks
I was able to go to work." Guaranteed
cure for coughs and colds, 50c,
and \$1.00, at W. J. Sedberry's drug store.
Trial bottle free.

The Bird's Third Eyelid.

Many birds are provided with natural
spectacles in the shape of a transpar-
ent membrane called the third eyelid.
This third eyelid when not in use lies
folded in the inner corner of the eye.
Two muscles work it, spreading it over
the eye or folding it up again when
not needed. It is a most curious and
cleverly than a man can put on
and take off his spectacles. But for
its third eyelid the eagle could not
look at the sun.

There is no case of indigestion,
no matter how irritable or how obstinate
that will not be speedily relieved by the
use of Kodol. It is a scientific prepa-
ration of vegetable acids containing
the very same juices found in a healthy
stomach. It conforms to the Pure Food
and Drug Law. Sold by The J. F. Crow
Drug Co.

zen's Advice.

disorders, dizziness and nervousness,

periment. These are all symptoms of kidney
trouble, and you should a remedy

use. It has cured many stubborn cases
in Jefferson. No need to experiment.
Follow the advice of a Jefferson citizen
and be cured yourself.

Thomas Markos of Polk street, Jeff-
erson, Texas, says: "My wife suffered
constantly from backache and kidney
trouble for several years. She suffered
from a sharp pain across the small of
the back which became very acute if
she arose suddenly from a stooped po-
sition. The secretion was also very
inconvenient. I saw Doan's Kidney
Pills advertised and procured a box at
J. W. Crow Drug Co's store. She used
time they acted on the kidney trouble,
and did my wife more good than all the
other medicines she had tried. Doan's
Kidney Pills merit great praise.

cents. Foster-Milburn Co., Buffalo,

States.

Notes a Scooter.

Noise is as essential to the sleep of
some persons as silence is to others.
Persons accustomed to the street
noise of a city sleep restlessly in the
country. A man who had lived eight-
een years on a corner in Kansas City
found that the noise of the city was
more than he could stand. He moved
to the country and found that the
noise of the city was more than he
could stand. He moved to the country
and found that the noise of the city
was more than he could stand. He
moved to the country and found that
the noise of the city was more than
he could stand. He moved to the coun-
try and found that the noise of the
city was more than he could stand.

Deafness Cannot be Cured

By local applications, as they cannot reach
the diseased portion of the ear. There is only
one way to cure deafness, and that is by
constitutional remedies. Deafness is caused by an
inflammation of the mucous lining of the
Eustachian tube. When this tube is inflamed
the hearing is lost. It is entirely curable
when it is entirely cured. Deafness is
the result, and unless the inflammation can be
taken out and this tube restored to its normal
condition, hearing will be destroyed forever.
The cause of deafness is caused by Catarrh
which is nothing but an inflamed condition
of the mucous lining of the Eustachian tube.
We will give One Hundred Dollars for
any case of Deafness (caused by catarrh) that
cannot be cured by Hall's Catarrh Cure. Send for
circular free.

BUSYBODIES VS. TRUTH.

Here Are The Facts—Judge For Yourself.

Busybodies who see in success only
falsity, who, without making an effort to
inform themselves, blantly cry offense
against honesty and truth, seem to forget
that a slur against Dr. Pierce's well-
known non-alcoholic family remedies is a
slur against the intelligence of thousands
of clear-thinking American women who
know they have been helped and cured
by Dr. Pierce's Favorite Prescription. It
is not a "patent medicine" in any sense—
it is simply the favorite remedy which
Dr. Pierce used in an extended practice
for the treatment of the diseases peculiar
to women.

Truth and Influence.

It is better than great riches. Fraud
is a bubble that soon bursts. Truth
Pierce has always been known to speak
the truth, his famous medicines are
founded on the rock of public approval
and have thousands of truthful testi-
monials as to their ability to cure dis-
eases for which they are recommended.

True Speaking.

No man ever lost a prospect
through telling the truth. In this long
run Dr. Pierce believes the truth will
prevail and he is not afraid to
make public his formula.

Valuable Trade Secrets.

The ingredients of Dr. Pierce's
Favorite Prescription are
given to the public. He vindicates the
excellence and harmless character of his
"Prescription" by letting ailing women
know just what they are taking when
they use this reliable tonic, and thereby
for the diseases and illnesses peculiarly
feminine. These ingredients are com-
bined in just the right proportion to
make an efficient remedy, without the
use of a particle of alcohol, and they are
as follows: Golden Seal root, Black
Cohosh root, Unicorn root, Blue Cohosh
root, Lady's Slipper, with chemi-
cally pure glycerine of proper strength for

Dr. Pierce's

active enough, as in obstinate constipa-
tion, the little, pleasant, sugar-coated
"Pillules" should be taken to aid the
"Prescription." One or two for a laxative,
two to four for a cathartic. They alone
have been known to cure many cases of
stomach trouble, dyspepsia and indi-
gestion. They act on the liver and
regulate the bowels. Put up in glass
vials, corked, therefore, always fresh
and reliable.

Pleasant Pellets.

Without intent to be scrupulous,
we want to remark that now is time
to trust in God and work like the
devil.—Pettie Enterprise.

That may sound a little bad at
first, but when you think about it, it
is alright. Trust in God is a man's
duty and his privilege, and as
the devil is ever at work, he sets a
good example in that respect.—
